   (b) covered investments; and
   (c) with respect to Articles 8, 12, and 13, all investments in the territory of the
2. A Party’s obligations under Section A shall apply:

(a) to a state enterprise or other person when it exercises any regulatory, administrative, or other governmental authority delegated to it by that Party; and

(b) to the political subdivisions of that Party.

3. For greater certainty, this Treaty does not bind either Party in relation to any act or fact that took place or any situation that ceased to exist before the date of entry into force of this Treaty.

Article 3: National Treatment

1. Each Party shall accord to investors of the other Party treatment no less favorable than that it accords, in like circumstances, to its own investors with respect to the establishment, acquisition, expansion, management, conduct, operation, and sale or other disposition of investments in its territory.

2. Each Party shall accord to covered investments treatment no less favorable than that it accords, in like circumstances, to investments in its territory of its own investors with respect to the establishment, acquisition, expansion, management, conduct, operation, and sale or other disposition of investments.

3. The treatment to be accorded by a Party under paragraphs 1 and 2 means, with respect to a regional level of government, treatment no less favorable than the treatment accorded, in like circumstances, by that regional level of government to natural persons resident in and enterprises constituted under the laws of other regional levels of government of the Party of which it forms a part, and to their respective investments.

Article 4: Most-Favored-Nation Treatment

1. Each Party shall accord to investors of the other Party treatment no less favorable than that it accords, in like circumstances, to investors of any non-Party with respect to the establishment, acquisition, expansion, management, conduct, operation, and sale or other disposition of investments in its territory.

Article 5: Minimum Standard of Treatment

1. Each Party shall accord to covered investments treatment in accordance with customary international law, including fair and equitable treatment and full protection and security.

2. For greater certainty, paragraph 1 prescribes the customary international law minimum standard of treatment of aliens as the minimum standard of treatment to be afforded to covered investments. The concepts of “fair and equitable treatment” and “full protection and security” do not require treatment in addition to or beyond that which is required by that standard, and do not create additional substantive rights. The obligation in paragraph 1 to provide:

(a) “fair and equitable treatment” includes the obligation not to deny justice in criminal, civil, or administrative adjudicatory proceedings in accordance with the principle of due process embodied in the principal legal systems of the world; and

(b) “full protection and security” requires each Party to provide the level of police protection required under customary international law.

3. A determination that there has been a breach of another provision of this Treaty, or of a separate international agreement, does not establish that there has been a breach of this Article.

5. Notwithstanding paragraph 4, if an investor of a Party, in the situations referred to in paragraph 4, suffers a loss in the territory of the other Party resulting from:

(a) requisitioning of its covered investment or part thereof by the latter’s forces or authorities; or

(b) destruction of its covered investment or part thereof by the latter’s forces or authorities, which was not required by the necessity of the situation,

the latter Party shall provide the investor restitution, compensation, or both, as appropriate, for such loss. Any compensation shall be prompt, adequate, and effective in accordance with Article 6(2) through (4), mutatis mutandis.

6. Paragraph 4 does not apply to existing measures relating to subsidies or grants that would be inconsistent with Article 3 but for Article 14(5)(b).
Article 6: Expropriation and Compensation

1. Neither Party may expropriate or nationalize a covered investment either directly or indirectly through measures equivalent to expropriation or nationalization ("expropriation"), except:

   (a) for a public purpose;

   (b) in a non-discriminatory manner;

   (c) on payment of prompt, adequate, and effective compensation; and

   (d) in accordance with due process of law and Article 5(1) through (3).

2. The compensation referred to in paragraph 1(c) shall:

   (a) be paid without delay;

   (b) be equivalent to the fair market value of the expropriated investment immediately before the expropriation took place ("the date of expropriation");

   (c) not reflect any change in value occurring because the intended expropriation had become known earlier; and

   (d) be fully realizable and freely transferable.

3. If the fair market value is denominated in a freely usable currency, the compensation referred to in paragraph 1(c) shall be no less than the fair market value on the date of expropriation, plus interest at a commercially reasonable rate for that currency, accrued from the date of expropriation until the date of payment.

4. If the fair market value is denominated in a currency that is not freely usable, the compensation referred to in paragraph 1(c) – converted into the currency of payment at the market rate of exchange prevailing on the date of payment – shall be no less than:

   (a) the fair market value on the date of expropriation, converted into a freely usable currency at the market rate of exchange prevailing on that date, plus

   (b) interest, at a commercially reasonable rate for that freely usable currency, accrued from the date of expropriation until the date of payment.

5. This Article does not apply to the issuance of compulsory licenses granted in relation to intellectual property rights in accordance with the TRIPS Agreement, or to the revocation, limitation, or creation of intellectual property rights, to the extent that such issuance, revocation, limitation, or creation is consistent with the TRIPS Agreement.
Article 7: Transfers

1. Each Party shall permit all transfers relating to a covered investment to be made freely and without delay into and out of its territory. Such transfers include:

   (a) contributions to capital;
   (b) profits, dividends, capital gains, and proceeds from the sale of all or any part of the covered investment or from the partial or complete liquidation of the covered investment;
   (c) interest, royalty payments, management fees, and technical assistance and other fees;
   (d) payments made under a contract, including a loan agreement;
   (e) payments made pursuant to Article 5(4) and (5) and Article 6; and
   (f) payments arising out of a dispute.

2. Each Party shall permit transfers relating to a covered investment to be made in a freely usable currency at the market rate of exchange prevailing at the time of transfer.

3. Each Party shall permit returns in kind relating to a covered investment to be made as authorized or specified in a written agreement between the Party and a covered investment or an investor of the other Party.

4. Notwithstanding paragraphs 1 through 3, a Party may prevent a transfer through the equitable, non-discriminatory, and good faith application of its laws relating to:

   (a) bankruptcy, insolvency, or the protection of the rights of creditors;
   (b) issuing, trading, or dealing in securities, futures, options, or derivatives;
   (c) criminal or penal offenses;
   (d) financial reporting or record keeping of transfers when necessary to assist law enforcement or financial regulatory authorities; or
   (e) ensuring compliance with orders or judgments in judicial or administrative proceedings.

Article 8: Performance Requirements
1. Neither Party may, in connection with the establishment, acquisition, expansion, management, conduct, operation, or sale or other disposition of an investment of an investor of a Party or of a non-Party in its territory, impose or enforce any requirement or enforce any commitment or undertaking:

(a) to export a given level or percentage of goods or services;

(b) to achieve a given level or percentage of domestic content;

(c) to purchase, use, or accord a preference to goods produced in its territory, or to purchase goods from persons in its territory;

(d) to relate in any way the volume or value of imports to the volume or value of exports or to the amount of foreign exchange inflows associated with such investment;

(e) to restrict sales of goods or services in its territory that such investment produces or supplies by relating such sales in any way to the volume or value of its exports or foreign exchange earnings;

(f) to transfer a particular technology, a production process, or other proprietary knowledge to a person in its territory; or

(g) to supply exclusively from the territory of the Party the goods that such investment produces or the services that it supplies to a specific regional market or to the world market.

2. Neither Party may condition the receipt or continued receipt of an advantage, in connection with the establishment, acquisition, expansion, management, conduct, operation, or sale or other disposition of an investment in its territory of an investor of a Party or of a non-Party, on compliance with any requirement:

(a) to achieve a given level or percentage of domestic content;

(b) to purchase, use, or accord a preference to goods produced in its territory, or to purchase goods from persons in its territory;

(c) to relate in any way the volume or value of imports to the volume or value of exports or to the amount of foreign exchange inflows associated with such investment; or

(d) to restrict sales of goods or services in its territory that such investment produces or supplies by relating such sales in any way to the volume or value of its exports or foreign exchange earnings.
3. (a) Nothing in paragraph 2 shall be construed to prevent a Party from conditioning the receipt or continued receipt of an advantage, in connection with an investment in its territory of an investor of a Party or of a non-Party, on compliance with a requirement to locate production, supply a service, train or employ workers, construct or expand particular facilities, or carry out research and development, in its territory.

(b) Paragraph 1(f) does not apply:

(i) when a Party authorizes use of an intellectual property right in accordance with Article 31 of the TRIPS Agreement, or to measures requiring the disclosure of proprietary information that fall within the scope of, and are consistent with, Article 39 of the TRIPS Agreement; or

(ii) when the requirement is imposed or the commitment or undertaking is enforced by a court, administrative tribunal, or competition authority to remedy a practice determined after judicial or administrative process to be anticompetitive under the Party’s competition laws.

(c) Provided that such measures are not applied in an arbitrary or unjustifiable manner, and provided that such measures do not constitute a disguised restriction on international trade or investment, paragraphs 1(b), (c), and (f), and 2(a) and (b), shall not be construed to prevent a Party from adopting or maintaining measures, including environmental measures:

(i) necessary to secure compliance with laws and regulations that are not inconsistent with this Treaty;

(ii) necessary to protect human, animal, or plant life or health; or

(iii) related to the conservation of living or non-living exhaustible natural resources.

(d) Paragraphs 1(a), (b), and (c), and 2(a) and (b), do not apply to qualification requirements for goods or services with respect to export promotion and foreign aid programs.

(e) Paragraphs 1(b), (c), (f), and (g), and 2(a) and (b), do not apply to government procurement.

(f) Paragraphs 2(a) and (b) do not apply to requirements imposed by an importing Party relating to the content of goods necessary to qualify for preferential tariffs or preferential quotas.

4. For greater certainty, paragraphs 1 and 2 do not apply to any requirement other than
the requirements set out in those paragraphs.

5. This Article does not preclude enforcement of any commitment, undertaking, or requirement between private parties, where a Party did not impose or require the commitment, undertaking, or requirement.
Article 9: Senior Management and Boards of Directors

1. Neither Party may require that an enterprise of that Party that is a covered investment appoint to senior management positions natural persons of any particular nationality.

2. A Party may require that a majority of the board of directors, or any committee thereof, of an enterprise of that Party that is a covered investment, be of a particular nationality, or resident in the territory of the Party, provided that the requirement does not materially impair the ability of the investor to exercise control over its investment.

Article 10: Publication of Laws and Decisions Respecting Investment

1. Each Party shall ensure that its:

   (a) laws, regulations, procedures, and administrative rulings of general application; and

   (b) adjudicatory decisions

respecting any matter covered by this Treaty are promptly published or otherwise made publicly available.

2. For purposes of this Article, “administrative ruling of general application” means an administrative ruling or interpretation that applies to all persons and fact situations that fall generally within its ambit and that establishes a norm of conduct but does not include:

   (a) a determination or ruling made in an administrative or quasi-judicial proceeding that applies to a particular covered investment or investor of the other Party in a specific case; or

   (b) a ruling that adjudicates with respect to a particular act or practice.

Article 11: Transparency

   (a) Each Party shall designate a contact point or points to facilitate communications between the Parties on any matter covered by this Treaty.

2. Publication
To the extent possible, each Party shall:

(a) publish in advance any measure referred to in Article 10(1)(a) that it proposes to adopt; and

(b) provide interested persons and the other Party a reasonable opportunity to comment on such proposed measures.
3. Notification and Provision of Information

(a) To the maximum extent possible, each Party shall notify the other Party of any proposed or actual measure that the Party considers might materially affect the operation of this Treaty or otherwise substantially affect the other Party’s interests under this Treaty.

(b) On request of the other Party, a Party shall promptly provide information and respond to questions pertaining to any actual or proposed measure referred to in subparagraph (a), whether or not the other Party has been previously notified of that measure.

(c) Any notification, request, or information under this paragraph shall be provided to the other Party through the relevant contact points.

(d) Any notification or information provided under this paragraph shall be without prejudice as to whether the measure is consistent with this Treaty.

4. Administrative Proceedings

With a view to administering in a consistent, impartial, and reasonable manner all measures referred to in Article 10(1)(a), each Party shall ensure that in its administrative proceedings applying such measures to particular covered investments or investors of the other Party in specific cases that:

(a) wherever possible, persons of the other Party that are directly affected by a proceeding are provided reasonable notice, in accordance with domestic procedures, when a proceeding is initiated, including a description of the nature of the proceeding, a statement of the legal authority under which the proceeding is initiated, and a general description of any issues in controversy;

(b) such persons are afforded a reasonable opportunity to present facts and arguments in support of their positions prior to any final administrative action, when time, the nature of the proceeding, and the public interest permit; and

(b) Each Party shall ensure that, in any such tribunals or procedures, the parties to the proceeding are provided with the right to:

(i) a reasonable opportunity to support or defend their respective positions; and

(ii) a decision based on the evidence and submissions of record or, where required by domestic law, the record compiled by the administrative authority.
(c) Each Party shall ensure, subject to appeal or further review as provided in its domestic law, that such decisions shall be implemented by, and shall govern the practice of, the offices or authorities responsible for the administrative action at issue.

**Article 12: Investment and Environment**

1. The Parties recognize that it is inappropriate to encourage investment by weakening or reducing the protections afforded in domestic environmental laws. Accordingly, each Party shall strive to ensure that it does not waive or otherwise derogate from, or offer to waive or otherwise derogate from, such laws in a manner that weakens or reduces the protections afforded in those laws as an encouragement for the establishment, acquisition, expansion, or retention of an investment in its territory. If a Party considers that the other Party has offered such an encouragement, it may request consultations with the other Party and the two Parties shall consult with a view to avoiding any such encouragement.

2. Nothing in this Treaty shall be construed to prevent a Party from adopting, maintaining, or enforcing any measure otherwise consistent with this Treaty that it considers appropriate to ensure that investment activity in its territory is undertaken in a manner sensitive to environmental concerns.

**Article 13: Investment and Labor**

1. The Parties recognize that it is inappropriate to encourage investment by weakening or reducing the protections afforded in domestic labor laws. Accordingly, each Party shall strive to ensure that it does not waive or otherwise derogate from, or offer to waive or otherwise derogate from, such laws in a manner that weakens or reduces adherence to the internationally recognized labor rights referred to in paragraph 2 as an encouragement for the establishment, acquisition, expansion, or retention of an investment in its territory. 1. Articles 3, 4, 8, and 9 do not apply to:

2. Articles 3, 4, 8, and 9 do not apply to any measure that a Party adopts or maintains with respect to sectors, subsectors, or activities, as set out in its Schedule to Annex II.

3. Neither Party may, under any measure adopted after the date of entry into force of this Treaty and covered by its Schedule to Annex II, require an investor of the other Party, by reason of its nationality, to sell or otherwise dispose of an investment existing at the time the measure becomes effective.

(a) government procurement; or

(b) subsidies or grants provided by a Party, including government-supported loans, guarantees, and insurance.

**Article 15: Special Formalities and Information Requirements**

1. Nothing in Article 3 shall be construed to prevent a Party from adopting or maintaining a measure that prescribes special formalities in connection with covered investments, such as a requirement that investors be residents of the Party or that covered investments be legally constituted under the laws or regulations of the Party, provided that such formalities do not materially impair the protections afforded by a Party to investors of the other Party and covered investments pursuant to this Treaty.

2. Notwithstanding Articles 3 and 4, a Party may require an investor of the other Party, or its covered investment, to provide information concerning that investment solely for informational or statistical purposes. The Party shall protect any confidential business information from any disclosure that would prejudice the competitive position of the investor or the covered investment. Nothing in this paragraph shall be construed to prevent a Party from otherwise obtaining or disclosing information in connection with the equitable and good faith application of its law.

**Article 16: Non-Derogation**

This Treaty shall not derogate from any of the following that entitle an investor of a Party or a covered investment to treatment more favorable than that accorded by this Treaty:

1. laws or regulations, administrative practices or procedures, or administrative or adjudicatory decisions of a Party;

3. obligations assumed by a Party, including those contained in an investment authorization or an investment agreement.

**Article 17: Denial of Benefits**

   (a) does not maintain diplomatic relations with the non-Party; or
(b) adopts or maintains measures with respect to the non-Party or a person of the non-Party that prohibit transactions with the enterprise or that would be violated or circumvented if the benefits of this Treaty were accorded to the enterprise or to its investments.

2. A Party may deny the benefits of this Treaty to an investor of the other Party that is an enterprise of such other Party and to investments of that investor if the enterprise has no substantial business activities in the territory of the other Party and persons of a non-Party, or of the denying Party, own or control the enterprise.

**Article 18: Essential Security**

Nothing in this Treaty shall be construed:

1. to require a Party to furnish or allow access to any information the disclosure of which it determines to be contrary to its essential security interests; or

2. to preclude a Party from applying measures that it considers necessary for the fulfillment of its obligations with respect to the maintenance or restoration of international peace or security, or the protection of its own essential security interests.
Article 19: Disclosure of Information

Nothing in this Treaty shall be construed to require a Party to furnish or allow access to confidential information, the disclosure of which would impede law enforcement, or otherwise be contrary to the public interest, or which would prejudice the legitimate commercial interests of particular enterprises, public or private.

Article 20: Financial Services

1. Notwithstanding any other provision of this Treaty, a Party shall not be prevented from adopting or maintaining measures relating to financial services for prudential reasons, including for the protection of investors, depositors, policy holders, or persons to whom a fiduciary duty is owed by a financial services supplier, or to ensure the integrity and stability of the financial system. Where such measures do not conform with the provisions of this Treaty, they shall not be used as a means of avoiding the Party’s commitments or obligations under this Treaty.

2. (a) Nothing in this Treaty applies to non-discriminatory measures of general application taken by any public entity in pursuit of monetary and related credit policies or exchange rate policies. This paragraph shall not affect a Party’s obligations under Article 7 or Article 8.

(b) For purposes of this provision, “public entity” means a central bank or monetary authority of a Party.

3. Where a claimant submits a claim to arbitration under Section B, and the respondent invokes paragraph 1 or paragraph 2 as a defense, the following provisions shall apply:

   (a) The respondent shall, within 120 days of the date the claim is submitted to arbitration under Section B, submit in writing to the competent financial authorities of both Parties a request for a joint determination on the issue of whether and to what extent paragraph 1 or paragraph 2 is a valid defense to the claim. The respondent shall promptly provide the tribunal, if constituted, a copy of such request. The arbitration may proceed with respect to the claim only as provided in subparagraph (d).

   (b) The competent financial authorities of both Parties shall make themselves available for consultations with each other and shall attempt in good faith to make a determination as described in subparagraph (a). Any such determination shall be transmitted promptly to the disputing parties and, if constituted, to the tribunal. The determination shall be binding on the tribunal.

   (c) If the competent financial authorities of both Parties, within 120 days of the date by which they have both received the respondent’s written request for a joint determination under subparagraph (a), have not made a
determination as described in that subparagraph, the tribunal shall decide the issue left unresolved by the competent financial authorities. The provisions of Section B shall apply, except as modified by this subparagraph.

(i) In the appointment of all arbitrators not yet appointed to the tribunal, each disputing party shall take appropriate steps to ensure that the tribunal has expertise or experience in financial services law or practice. The expertise of particular candidates with respect to financial services shall be taken into account in the appointment of the presiding arbitrator.

(ii) If, prior to the submission of the request for a joint determination in conformance with subparagraph (a), the presiding arbitrator has been appointed pursuant to Article 27(3), such arbitrator shall be replaced on the request of either disputing party and the tribunal shall be reconstituted consistent with subparagraph (c)(i). If, within 30 days of the date the arbitration proceedings are resumed under subparagraph (d), the disputing parties have not agreed on the appointment of a new presiding arbitrator, the Secretary-General, on the request of a disputing party, shall appoint the presiding arbitrator consistent with subparagraph (c)(i).

(iii) The non-disputing Party may make oral and written submissions to the tribunal regarding the issue of whether and to what extent paragraph 1 or paragraph 2 is a valid defense to the claim. Unless it makes such a submission, the non-disputing Party shall be presumed, for purposes of the arbitration, to take a position on paragraph 1 or paragraph 2 not inconsistent with that of the respondent.

(d) The arbitration referred to in subparagraph (a) may proceed with respect to the claim:

(i) 10 days after the date the competent financial authorities’ joint determination has been received by both the disputing parties and, if constituted, the tribunal; or

(ii) 10 days after the expiration of the 120-day period provided to the competent financial authorities in subparagraph (c).

4. Where a dispute arises under Section C and the competent financial authorities of one Party provide written notice to the competent financial authorities of the other Party that the dispute involves financial services, Section C shall apply except as modified by this paragraph and paragraph 5.

(a) The competent financial authorities of both Parties shall make themselves available for consultations with each other regarding the dispute, and shall
have 180 days from the date such notice is received to transmit a report on their consultations to the Parties. A Party may submit the dispute to arbitration under Section C only on the expiration of that 180-day period.

(b) Either Party may make any such report available to a tribunal constituted under Section C to decide the dispute referred to in this paragraph or a similar dispute, or to a tribunal constituted under Section B to decide a claim arising out of the same events or circumstances that gave rise to the dispute under Section C.

5. Where a Party submits a dispute involving financial services to arbitration under Section C in conformance with paragraph 4, and on the request of either Party within 30 days of the date the dispute is submitted to arbitration, each Party shall, in the appointment of all arbitrators not yet appointed, take appropriate steps to ensure that the tribunal has expertise or experience in financial services law or practice. The expertise of particular candidates with respect to financial services shall be taken into account in the appointment of the presiding arbitrator.

6. Notwithstanding Article 11(2), each Party shall, to the extent practicable,

(a) publish in advance any regulations of general application relating to financial services that it proposes to adopt;

(b) provide interested persons and the other Party a reasonable opportunity to comment on such proposed regulations.

7. The terms “financial service” or “financial services” shall have the same meaning as in subparagraph 5(a) of the Annex on Financial Services of the GATS.

Article 21: Taxation

1. Except as provided in this Article, nothing in this Treaty shall apply to taxation measures.

2. Subject to paragraph 7, Article 3 and Article 4 shall apply to all taxation measures, other than taxation measures relating to direct taxes (which, for purposes of this paragraph, are taxation measures on income, capital gains, or on the taxable capital of corporations or individuals, taxes on estates, inheritances, gifts, and generation-skipping transfers), except that nothing in those Articles shall apply:

(a) any most-favored-nation obligation with respect to an advantage accorded by a Party pursuant to a tax convention;

(b) to a non-conforming provision of any existing taxation measure;

(c) to the continuation or prompt renewal of a non-conforming provision of
any existing taxation measure;

(d) to an amendment to a non-conforming provision of any existing taxation measure to the extent that the amendment does not decrease its conformity, at the time of the amendment, with those Articles;

(e) to the adoption or enforcement of any taxation measure aimed at ensuring the equitable or effective imposition or collection of taxes (as permitted by GATS Article XIV(d)); or

(f) to a provision that conditions the receipt, or continued receipt, of an advantage relating to the contributions to, or income of, a pension trust, fund, or other arrangement to provide pension or similar benefits, on a requirement that the Party maintain continuous jurisdiction over such trust, fund, or other arrangement.
3. Article 6 shall apply to all taxation measures, except that a claimant that asserts that a taxation measure involves an expropriation may submit a claim to arbitration under Section B only if:

   (a) the claimant has first referred to the competent tax authorities of both Parties in writing the issue of whether that taxation measure involves an expropriation; and

   (b) within 180 days after the date of such referral, the competent tax authorities of both Parties fail to agree that the taxation measure is not an expropriation.

4. Subject to paragraph 7, Article 8(2) through (4) shall apply to all taxation measures.

5. Section B shall apply to a taxation measure alleged to be a breach of an investment authorization or an investment agreement.

6. For greater certainty, Sections B and C shall apply to a taxation measure alleged to be a breach of Article 3, 4, 6, or 8(2) through (4), to the extent that any such Article applies to taxation measures under paragraph 2, 3, or 4.

7. Nothing in this Treaty shall affect the rights and obligations of either Party under any tax convention. In the event of any inconsistency between this Treaty and any such convention, that convention shall prevail to the extent of the inconsistency. In the case of a tax convention between the Parties, the competent authorities under that convention shall have sole responsibility for determining whether any inconsistency exists between this Treaty and that convention.

Article 22: Entry into Force, Duration, and Termination

1. This Treaty shall enter into force thirty days after the date of exchange of instruments of ratification. It shall remain in force for a period of ten years and shall continue in force thereafter unless terminated in accordance with paragraph 2.

2. A Party may terminate this Treaty at the end of the initial ten-year period or at any time thereafter by giving one year’s written notice to the other Party.

3. For ten years from the date of termination, all other Articles shall continue to apply to covered investments established or acquired prior to the date of termination, except insofar as those Articles extend to the establishment or acquisition of covered investments.
Section B

Article 23: Consultation and Negotiation

In the event of an investment dispute, the claimant and the respondent should initially seek to resolve the dispute through consultation and negotiation, which may include the use of non-binding, third-party procedures.

Article 24: Submission of a Claim to Arbitration

1. In the event that a disputing party considers that an investment dispute cannot be settled by consultation and negotiation:

   (a) the claimant, on its own behalf, may submit to arbitration under this Section a claim

   (i) that the respondent has breached

       (A) an obligation under Articles 3 through 10,

       (B) an investment authorization, or

       (C) an investment agreement;

   and

   (ii) that the claimant has incurred loss or damage by reason of, or arising out of, that breach; and

   (b) the claimant, on behalf of an enterprise of the respondent that is a juridical person that the claimant owns or controls directly or indirectly, may submit to arbitration under this Section a claim

   (i) that the respondent has breached

       (A) an obligation under Articles 3 through 10,

       (B) an investment authorization, or

       (C) an investment agreement;

   and

   (ii) that the enterprise has incurred loss or damage by reason of, or arising out of, that breach
provided that a claimant may submit pursuant to subparagraph (a)(i)(C) or (b)(i)(C) a claim for breach of an investment agreement only if the subject matter of the claim and the claimed damages directly relate to the covered investment that was established or acquired, or sought to be established or acquired, in reliance on the relevant investment agreement.

2. At least 90 days before submitting any claim to arbitration under this Section, a claimant shall deliver to the respondent a written notice of its intention to submit the claim to arbitration (“notice of intent”). The notice shall specify:

   (a) the name and address of the claimant and, where a claim is submitted on behalf of an enterprise, the name, address, and place of incorporation of the enterprise;

   (b) for each claim, the provision of this Treaty, investment authorization, or investment agreement alleged to have been breached and any other relevant provisions;

   (c) the legal and factual basis for each claim; and

   (d) the relief sought and the approximate amount of damages claimed.

3. Provided that six months have elapsed since the events giving rise to the claim, a claimant may submit a claim referred to in paragraph 1:

   (a) under the ICSID Convention and the ICSID Rules of Procedure for Arbitration Proceedings, provided that both the respondent and the non-disputing Party are parties to the ICSID Convention;

   (b) under the ICSID Additional Facility Rules, provided that either the respondent or the non-disputing Party is a party to the ICSID Convention;

   (c) under the UNCITRAL Arbitration Rules; or

   (d) if the claimant and respondent agree, to any other arbitration institution or under any other arbitration rules.

4. A claim shall be deemed submitted to arbitration under this Section when the claimant’s notice of or request for arbitration (“notice of arbitration”):

   (a) referred to in paragraph 1 of Article 36 of the ICSID Convention is received by the Secretary-General;

   (b) referred to in Article 2 of Schedule C of the ICSID Additional Facility Rules is received by the Secretary-General;

   (c) referred to in Article 3 of the UNCITRAL Arbitration Rules, together with
the statement of claim referred to in Article 18 of the UNCITRAL Arbitration Rules, are received by the respondent; or

(d) referred to under any arbitral institution or arbitral rules selected under paragraph 3(d) is received by the respondent.

A claim asserted by the claimant for the first time after such notice of arbitration is submitted shall be deemed submitted to arbitration under this Section on the date of its receipt under the applicable arbitral rules.

5. The arbitration rules applicable under paragraph 3, and in effect on the date the claim or claims were submitted to arbitration under this Section, shall govern the arbitration except to the extent modified by this Treaty.

6. The claimant shall provide with the notice of arbitration:

(a) the name of the arbitrator that the claimant appoints; or

(b) the claimant’s written consent for the Secretary-General to appoint that arbitrator.

Article 25: Consent of Each Party to Arbitration

1. Each Party consents to the submission of a claim to arbitration under this Section in accordance with this Treaty.

2. The consent under paragraph 1 and the submission of a claim to arbitration under this Section shall satisfy the requirements of:

(a) Chapter II of the ICSID Convention (Jurisdiction of the Centre) and the ICSID Additional Facility Rules for written consent of the parties to the dispute;

(b) Article II of the New York Convention for an “agreement in writing;” and

(c) Article I of the Inter-American Convention for an “agreement.”

Article 26: Conditions and Limitations on Consent of Each Party

1. No claim may be submitted to arbitration under this Section if more than three years have elapsed from the date on which the claimant first acquired, or should have first acquired, knowledge of the breach alleged under Article 24(1) and knowledge that the claimant (for claims brought under Article 24(1)(a)) or the enterprise (for claims brought under Article 24(1)(b)) has incurred loss or damage.
2. No claim may be submitted to arbitration under this Section unless:

   (a) the claimant consents in writing to arbitration in accordance with the procedures set out in this Treaty; and

   (b) the notice of arbitration is accompanied,

      (i) for claims submitted to arbitration under Article 24(1)(a), by the claimant’s written waiver, and

      (ii) for claims submitted to arbitration under Article 24(1)(b), by the claimant’s and the enterprise’s written waivers

of any right to initiate or continue before any administrative tribunal or court under the law of either Party, or other dispute settlement procedures, any proceeding with respect to any measure alleged to constitute a breach referred to in Article 24.

3. Notwithstanding paragraph 2(b), the claimant (for claims brought under Article 24(1)(a)) and the claimant or the enterprise (for claims brought under Article 24(1)(b)) may initiate or continue an action that seeks interim injunctive relief and does not involve the payment of monetary damages before a judicial or administrative tribunal of the respondent, provided that the action is brought for the sole purpose of preserving the claimant’s or the enterprise’s rights and interests during the pendency of the arbitration.

**Article 27: Selection of Arbitrators**

1. Unless the disputing parties otherwise agree, the tribunal shall comprise three arbitrators, one arbitrator appointed by each of the disputing parties and the third, who shall be the presiding arbitrator, appointed by agreement of the disputing parties.

2. The Secretary-General shall serve as appointing authority for an arbitration under this Section.

3. Subject to Article 20(3), if a tribunal has not been constituted within 75 days from the date that a claim is submitted to arbitration under this Section, the Secretary-General, on the request of a disputing party, shall appoint, in his or her discretion, the arbitrator or arbitrators not yet appointed.

4. For purposes of Article 39 of the ICSID Convention and Article 7 of Schedule C to the ICSID Additional Facility Rules, and without prejudice to an objection to an arbitrator on a ground other than nationality:

   (a) the respondent agrees to the appointment of each individual member of a tribunal established under the ICSID Convention or the ICSID Additional Facility Rules;
(b) a claimant referred to in Article 24(1)(a) may submit a claim to arbitration under this Section, or continue a claim, under the ICSID Convention or the ICSID Additional Facility Rules, only on condition that the claimant agrees in writing to the appointment of each individual member of the tribunal; and

(c) a claimant referred to in Article 24(1)(b) may submit a claim to arbitration under this Section, or continue a claim, under the ICSID Convention or the ICSID Additional Facility Rules, only on condition that the claimant and the enterprise agree in writing to the appointment of each individual member of the tribunal.

Article 28: Conduct of the Arbitration

1. The disputing parties may agree on the legal place of any arbitration under the arbitral rules applicable under Article 24(3). If the disputing parties fail to reach agreement, the tribunal shall determine the place in accordance with the applicable arbitral rules, provided that the place shall be in the territory of a State that is a party to the New York Convention.

2. The non-disputing Party may make oral and written submissions to the tribunal regarding the interpretation of this Treaty.

3. The tribunal shall have the authority to accept and consider amicus curiae submissions from a person or entity that is not a disputing party.

4. Without prejudice to a tribunal’s authority to address other objections as a preliminary question, a tribunal shall address and decide as a preliminary question any objection by the respondent that, as a matter of law, a claim submitted is not a claim for which an award in favor of the claimant may be made under Article 34.

   (a) Such objection shall be submitted to the tribunal as soon as possible after the tribunal is constituted, and in no event later than the date the tribunal fixes for the respondent to submit its counter-memorial (or, in the case of an amendment to the notice of arbitration, the date the tribunal fixes for the respondent to submit its response to the amendment).

   (b) On receipt of an objection under this paragraph, the tribunal shall suspend any proceedings on the merits, establish a schedule for considering the objection consistent with any schedule it has established for considering any other preliminary question, and issue a decision or award on the objection, stating the grounds therefor.

   (c) In deciding an objection under this paragraph, the tribunal shall assume to be true claimant’s factual allegations in support of any claim in the notice
of arbitration (or any amendment thereof) and, in disputes brought under the UNCITRAL Arbitration Rules, the statement of claim referred to in Article 18 of the UNCITRAL Arbitration Rules. The tribunal may also consider any relevant facts not in dispute.

(d) The respondent does not waive any objection as to competence or any argument on the merits merely because the respondent did or did not raise an objection under this paragraph or make use of the expedited procedure set out in paragraph 5.

5. In the event that the respondent so requests within 45 days after the tribunal is constituted, the tribunal shall decide on an expedited basis an objection under paragraph 4 and any objection that the dispute is not within the tribunal’s competence. The tribunal shall suspend any proceedings on the merits and issue a decision or award on the objection(s), stating the grounds therefor, no later than 150 days after the date of the request. However, if a disputing party requests a hearing, the tribunal may take an additional 30 days to issue the decision or award. Regardless of whether a hearing is requested, a tribunal may, on a showing of extraordinary cause, delay issuing its decision or award by an additional brief period, which may not exceed 30 days.

6. When it decides a respondent’s objection under paragraph 4 or 5, the tribunal may, if warranted, award to the prevailing disputing party reasonable costs and attorney’s fees incurred in submitting or opposing the objection. In determining whether such an award is warranted, the tribunal shall consider whether either the claimant’s claim or the respondent’s objection was frivolous, and shall provide the disputing parties a reasonable opportunity to comment.

7. A respondent may not assert as a defense, counterclaim, right of set-off, or for any other reason that the claimant has received or will receive indemnification or other compensation for all or part of the alleged damages pursuant to an insurance or guarantee contract.

8. A tribunal may order an interim measure of protection to preserve the rights of a disputing party, or to ensure that the tribunal’s jurisdiction is made fully effective, including an order to preserve evidence in the possession or control of a disputing party or to protect the tribunal’s jurisdiction. A tribunal may not order attachment or enjoin the application of a measure alleged to constitute a breach referred to in Article 24. For purposes of this paragraph, an order includes a recommendation.

9. (a) In any arbitration conducted under this Section, at the request of a disputing party, a tribunal shall, before issuing a decision or award on liability, transmit its proposed decision or award to the disputing parties and to the non-disputing Party. Within 60 days after the tribunal transmits its proposed decision or award, the disputing parties may submit written comments to the tribunal concerning any aspect of its proposed decision or award. The tribunal shall consider any such comments and issue its decision or award not later than 45 days after the expiration of the 60-day comment period.
(b) Subparagraph (a) shall not apply in any arbitration conducted pursuant to this Section for which an appeal has been made available pursuant to paragraph 10 or Annex E.
10. If a separate multilateral agreement enters into force between the Parties that establishes an appellate body for purposes of reviewing awards rendered by tribunals constituted pursuant to international trade or investment arrangements to hear investment disputes, the Parties shall strive to reach an agreement that would have such appellate body review awards rendered under Article 34 in arbitrations commenced after the multilateral agreement enters into force between the Parties.

Article 29: Transparency of Arbitral Proceedings

1. Subject to paragraphs 2 and 4, the respondent shall, after receiving the following documents, promptly transmit them to the non-disputing Party and make them available to the public:

   (a) the notice of intent;
   (b) the notice of arbitration;
   (c) pleadings, memorials, and briefs submitted to the tribunal by a disputing party and any written submissions submitted pursuant to Article 28(2) and (3) and Article 33;
   (d) minutes or transcripts of hearings of the tribunal, where available; and
   (e) orders, awards, and decisions of the tribunal.

2. The tribunal shall conduct hearings open to the public and shall determine, in consultation with the disputing parties, the appropriate logistical arrangements. However, any disputing party that intends to use information designated as protected information in a hearing shall so advise the tribunal. The tribunal shall make appropriate arrangements to protect the information from disclosure.

3. Nothing in this Section requires a respondent to disclose protected information or to furnish or allow access to information that it may withhold in accordance with Article 18 or Article 19.

4. Any protected information that is submitted to the tribunal shall be protected from disclosure in accordance with the following procedures:

   (a) Subject to subparagraph (d), neither the disputing parties nor the tribunal shall disclose to the non-disputing Party or to the public any protected information where the disputing party that provided the information clearly designates it in accordance with subparagraph (b);

   (b) Any disputing party claiming that certain information constitutes protected information shall clearly designate the information at the time it is submitted to the tribunal;
(c) A disputing party shall, at the time it submits a document containing information claimed to be protected information, submit a redacted version of the document that does not contain the information. Only the redacted version shall be provided to the non-disputing Party and made public in accordance with paragraph 1; and

(d) The tribunal shall decide any objection regarding the designation of information claimed to be protected information. If the tribunal determines that such information was not properly designated, the disputing party that submitted the information may (i) withdraw all or part of its submission containing such information, or (ii) agree to resubmit complete and redacted documents with corrected designations in accordance with the tribunal’s determination and subparagraph (c). In either case, the other disputing party shall, whenever necessary, resubmit complete and redacted documents which either remove the information withdrawn under (i) by the disputing party that first submitted the information or redesignate the information consistent with the designation under (ii) of the disputing party that first submitted the information.

5. Nothing in this Section requires a respondent to withhold from the public information required to be disclosed by its laws.

Article 30: Governing Law

1. Subject to paragraph 3, when a claim is submitted under Article 24(1)(a)(i)(A) or Article 24(1)(b)(i)(A), the tribunal shall decide the issues in dispute in accordance with this Treaty and applicable rules of international law.

2. Subject to paragraph 3 and the other terms of this Section, when a claim is submitted under Article 24(1)(a)(i)(B) or (C), or Article 24(1)(b)(i)(B) or (C), the tribunal shall apply:

   (a) the rules of law specified in the pertinent investment authorization or investment agreement, or as the disputing parties may otherwise agree; or

   (b) if the rules of law have not been specified or otherwise agreed:

      (i) the law of the respondent, including its rules on the conflict of laws; and

      (ii) such rules of international law as may be applicable.

3. A joint decision of the Parties, each acting through its representative designated for purposes of this Article, declaring their interpretation of a provision of this Treaty shall be binding on a tribunal, and any decision or award issued by a tribunal must be
consistent with that joint decision.

**Article 31: Interpretation of Annexes**

1. Where a respondent asserts as a defense that the measure alleged to be a breach is within the scope of an entry set out in Annex I, II, or III, the tribunal shall, on request of the respondent, request the interpretation of the Parties on the issue. The Parties shall submit in writing any joint decision declaring their interpretation to the tribunal within 60 days of delivery of the request.

2. A joint decision issued under paragraph 1 by the Parties, each acting through its representative designated for purposes of this Article, shall be binding on the tribunal, and any decision or award issued by the tribunal must be consistent with that joint decision. If the Parties fail to issue such a decision within 60 days, the tribunal shall decide the issue.
Article 32: Expert Reports

Without prejudice to the appointment of other kinds of experts where authorized by the applicable arbitration rules, a tribunal, at the request of a disputing party or, unless the disputing parties disapprove, on its own initiative, may appoint one or more experts to report to it in writing on any factual issue concerning environmental, health, safety, or other scientific matters raised by a disputing party in a proceeding, subject to such terms and conditions as the disputing parties may agree.

Article 33: Consolidation

1. Where two or more claims have been submitted separately to arbitration under Article 24(1) and the claims have a question of law or fact in common and arise out of the same events or circumstances, any disputing party may seek a consolidation order in accordance with the agreement of all the disputing parties sought to be covered by the order or the terms of paragraphs 2 through 10.

2. A disputing party that seeks a consolidation order under this Article shall deliver, in writing, a request to the Secretary-General and to all the disputing parties sought to be covered by the order and shall specify in the request:

   (a) the names and addresses of all the disputing parties sought to be covered by the order;

   (b) the nature of the order sought; and

   (c) the grounds on which the order is sought.

3. Unless the Secretary-General finds within 30 days after receiving a request under paragraph 2 that the request is manifestly unfounded, a tribunal shall be established under this Article.

4. Unless all the disputing parties sought to be covered by the order otherwise agree, a tribunal established under this Article shall comprise three arbitrators:

   (a) one arbitrator appointed by agreement of the claimants;

   (b) one arbitrator appointed by the respondent; and

   (c) the presiding arbitrator appointed by the Secretary-General, provided, however, that the presiding arbitrator shall not be a national of either Party.

5. If, within 60 days after the Secretary-General receives a request made under paragraph 2, the respondent fails or the claimants fail to appoint an arbitrator in accordance with paragraph 4, the Secretary-General, on the request of any disputing party sought to be
covered by the order, shall appoint the arbitrator or arbitrators not yet appointed. If the respondent fails to appoint an arbitrator, the Secretary-General shall appoint a national of the disputing Party, and if the claimants fail to appoint an arbitrator, the Secretary-General shall appoint a national of the non-disputing Party.

6. Where a tribunal established under this Article is satisfied that two or more claims that have been submitted to arbitration under Article 24(1) have a question of law or fact in common, and arise out of the same events or circumstances, the tribunal may, in the interest of fair and efficient resolution of the claims, and after hearing the disputing parties, by order:

   (a) assume jurisdiction over, and hear and determine together, all or part of the claims;

   (b) assume jurisdiction over, and hear and determine one or more of the claims, the determination of which it believes would assist in the resolution of the others; or

   (c) instruct a tribunal previously established under Article 27 to assume jurisdiction over, and hear and determine together, all or part of the claims, provided that

      (i) that tribunal, at the request of any claimant not previously a disputing party before that tribunal, shall be reconstituted with its original members, except that the arbitrator for the claimants shall be appointed pursuant to paragraphs 4(a) and 5; and

      (ii) that tribunal shall decide whether any prior hearing shall be repeated.

7. Where a tribunal has been established under this Article, a claimant that has submitted a claim to arbitration under Article 24(1) and that has not been named in a request made under paragraph 2 may make a written request to the tribunal that it be included in any order made under paragraph 6, and shall specify in the request:

   (a) the name and address of the claimant;

   (b) the nature of the order sought; and

   (c) the grounds on which the order is sought.

The claimant shall deliver a copy of its request to the Secretary-General.

8. A tribunal established under this Article shall conduct its proceedings in accordance with the UNCITRAL Arbitration Rules, except as modified by this Section.

9. A tribunal established under Article 27 shall not have jurisdiction to decide a claim, or
a part of a claim, over which a tribunal established or instructed under this Article has assumed jurisdiction.

10. On application of a disputing party, a tribunal established under this Article, pending its decision under paragraph 6, may order that the proceedings of a tribunal established under Article 27 be stayed, unless the latter tribunal has already adjourned its proceedings.

**Article 34: Awards**

1. Where a tribunal makes a final award against a respondent, the tribunal may award, separately or in combination, only:

   (a) monetary damages and any applicable interest; and

   (b) restitution of property, in which case the award shall provide that the respondent may pay monetary damages and any applicable interest in lieu of restitution.

A tribunal may also award costs and attorney’s fees in accordance with this Treaty and the applicable arbitration rules.
2. Subject to paragraph 1, where a claim is submitted to arbitration under Article 24(1) (b):

(a) an award of restitution of property shall provide that restitution be made to the enterprise;

(b) an award of monetary damages and any applicable interest shall provide that the sum be paid to the enterprise; and

(c) the award shall provide that it is made without prejudice to any right that any person may have in the relief under applicable domestic law.

3. A tribunal may not award punitive damages.

4. An award made by a tribunal shall have no binding force except between the disputing parties and in respect of the particular case.

5. Subject to paragraph 6 and the applicable review procedure for an interim award, a disputing party shall abide by and comply with an award without delay.

6. A disputing party may not seek enforcement of a final award until:

(a) in the case of a final award made under the ICSID Convention,

(i) 120 days have elapsed from the date the award was rendered and no disputing party has requested revision or annulment of the award; or

(ii) revision or annulment proceedings have been completed; and

(b) in the case of a final award under the ICSID Additional Facility Rules, the UNCITRAL Arbitration Rules, or the rules selected pursuant to Article 24 (3)(d),

(i) 90 days have elapsed from the date the award was rendered and no disputing party has commenced a proceeding to revise, set aside, or annul the award; or

(ii) a court has dismissed or allowed an application to revise, set aside, or annul the award and there is no further appeal.

7. Each Party shall provide for the enforcement of an award in its territory.

8. If the respondent fails to abide by or comply with a final award, on delivery of a request by the non-disputing Party, a tribunal shall be established under Article 37. Without prejudice to other remedies available under applicable rules of international law, the requesting Party may seek in such proceedings:
(a) a determination that the failure to abide by or comply with the final award is inconsistent with the obligations of this Treaty; and

(b) a recommendation that the respondent abide by or comply with the final award.

9. A disputing party may seek enforcement of an arbitration award under the ICSID Convention, the New York Convention, or the Inter-American Convention regardless of whether proceedings have been taken under paragraph 8.

10. A claim that is submitted to arbitration under this Section shall be considered to arise out of a commercial relationship or transaction for purposes of Article I of the New York Convention and Article I of the Inter-American Convention.

**Article 35: Annexes, Protocol, and Footnotes**

The Annexes, Protocol, and footnotes to this Treaty shall form an integral part of this Treaty.

**Article 36: Service of Documents**

Delivery of notice and other documents on a Party shall be made to the place named for that Party in Annex D.

**Section C**

**Article 37: State-State Dispute Settlement**

1. Subject to paragraph 5, any dispute between the Parties concerning the interpretation or application of this Treaty that is not resolved through consultations or other diplomatic channels shall be submitted on the request of either Party to arbitration for a binding decision or award by a tribunal in accordance with applicable rules of international law. In the absence of an agreement by the Parties to the contrary, the UNCITRAL Arbitration Rules shall govern, except as modified by the Parties or this Treaty.

2. Unless the Parties otherwise agree, the tribunal shall comprise three arbitrators, one arbitrator appointed by each Party and the third, who shall be the presiding arbitrator, appointed by agreement of the Parties. If a tribunal has not been constituted within 75 days from the date that a claim is submitted to arbitration under this Section, the Secretary-General, on the request of either Party, shall appoint, in his or her discretion, the arbitrator or arbitrators not yet appointed.

3. Expenses incurred by the arbitrators, and other costs of the proceedings, shall be paid for equally by the Parties. However, the tribunal may, in its discretion, direct that a
higher proportion of the costs be paid by one of the Parties.

4. Articles 28(3), 29, 30(1) and (3), and 31 shall apply *mutatis mutandis* to arbitrations under this Article.

5. Paragraphs 1 through 4 shall not apply to a matter arising under Article 12 or Article 13.

IN WITNESS WHEREOF, the respective plenipotentiaries have signed this Treaty.

Annex A

Customary International Law

The Parties confirm their shared understanding that “customary international law” generally and as specifically referenced in Article 5 and Annex B results from a general and consistent practice of States that they follow from a sense of legal obligation. With regard to Article 5, the customary international law minimum standard of treatment of aliens refers to all customary international law principles that protect the economic rights and interests of aliens.
Annex B

Expropriation

The Parties confirm their shared understanding that:

1. Article 6(1) is intended to reflect customary international law concerning the obligation of States with respect to expropriation.

2. An action or a series of actions by a Party cannot constitute an expropriation unless it interferes with a tangible or intangible property right or property interest in an investment.

3. Article 6(1) addresses two situations. The first is known as direct expropriation, where an investment is nationalized or otherwise directly expropriated through formal transfer of title or outright seizure.

4. The second situation addressed by Article 6(1) is known as indirect expropriation, where an action or series of actions by a Party has an effect equivalent to direct expropriation without formal transfer of title or outright seizure.

(a) The determination of whether an action or series of actions by a Party, in a specific fact situation, constitutes an indirect expropriation, requires a case-by-case, fact-based inquiry that considers, among other factors:

(i) the economic impact of the government action, although the fact that an action or series of actions by a Party has an adverse effect on the economic value of an investment, standing alone, does not establish that an indirect expropriation has occurred;

(ii) the extent to which the government action interferes with distinct, reasonable investment-backed expectations; and

(iii) the character of the government action.

(b) Except in rare circumstances, non-discriminatory regulatory actions by a Party that are designed and applied to protect legitimate public welfare objectives, such as public health, safety, and the environment, do not constitute indirect expropriations.
Annex C

Submission of a Claim To Arbitration

1. An investor of the United States may not submit to arbitration under Section B a claim that Uruguay has breached an obligation under Articles 3 through 10 either:

   (a) on its own behalf under Article 24(1)(a), or

   (b) on behalf of an enterprise of Uruguay that is a juridical person that the investor owns or controls directly or indirectly under Article 24(1)(b), if the investor or the enterprise, respectively, has alleged that breach of an obligation under Articles 3 through 10 in proceedings before a court or administrative tribunal of Uruguay.

2. For greater certainty, if an investor of the United States elects to submit a claim of the type described in paragraph 1 to a court or administrative tribunal of Uruguay, that election shall be definitive, and the investor may not thereafter submit the claim to arbitration under Section B.

Annex F

Financial Services

1. In the application of Article 3 to measures relating to financial institutions, the Parties share the understanding that the treatment that each Party owes under that Article:

(a) to investors of the other Party, means treatment no less favorable than that it accords to its own investors, in like circumstances, with respect to the establishment, acquisition, expansion, management, conduct, operation, and sale or other disposition of financial institutions and investments in financial institutions in its territory; and

(b) to financial institutions of the other Party and to investments of investors of the other Party in financial institutions, means treatment no less favorable than that it accords to its own financial institutions, and to investments of its own investors in financial institutions, in like circumstances, with respect to the establishment, acquisition, expansion, management, conduct, operation, and sale or other disposition of financial institutions and investments.

2. In the application of Article 4 to measures relating to financial institutions, the Parties share the understanding that the treatment that each Party owes under that Article to investors of the other Party, financial institutions of the other Party, and investments of investors of the other Party in financial institutions means treatment no less favorable than that it accords to investors, financial institutions, and investments of investors in financial institutions of a non-Party, in like circumstances, with respect to the establishment, acquisition, expansion, management, conduct, operation, and sale or other disposition of financial institutions and investments.

3. For purposes of paragraphs 1 and 2, “financial institution of the other Party” means a financial institution, including a branch, located in the territory of a Party that is controlled by persons of the other Party.

4. No claim that a measure relating to an investor of a Party, or a covered investment, in a financial institution located in the territory of the other Party breaches Article 3 or Article 4 may be submitted to arbitration under Section B. For purposes of this paragraph:

(a) The term “financial institution” means any financial intermediary or other enterprise that is authorized to do business and regulated or supervised as a financial institution under the law of the Party in whose territory it is located.

(b) Investment means “investment” as defined in Article 1, except that, with respect to “loans” and “debt instruments” referred to in that Article:
(i) a loan to or debt instrument issued by a financial institution is an investment in a financial institution only where it is treated as regulatory capital by the Party in whose territory the financial institution is located; and

(ii) a loan granted by or debt instrument owned by a financial institution, other than a loan to or debt instrument of a financial institution referred to in subparagraph (b)(i), is not an investment in a financial institution.
5. For greater certainty, nothing in this Treaty shall be construed to prevent the adoption or enforcement by a Party of measures relating to investors of the other Party, or covered investments, in financial institutions that are necessary to secure compliance with laws or regulations that are not inconsistent with this Treaty, including those relating to the prevention of deceptive and fraudulent practices or that deal with the effects of a default on financial services contracts, subject to the requirement that such measures are not applied in a manner which would constitute a means of arbitrary or unjustifiable discrimination between countries where like conditions prevail, or a disguised restriction on investment in financial institutions.
Annex G

Sovereign Debt Restructuring

1. No claim that a restructuring of a debt instrument issued by Uruguay breaches an obligation under Articles 5 through 10 may be submitted to, or if already submitted continue in, arbitration under Section B, if the restructuring is a negotiated restructuring at the time of submission, or becomes a negotiated restructuring after such submission.

2. (a) For purposes of this Annex, “negotiated restructuring” means the restructuring or rescheduling of a debt instrument that has been effected through:

   (i) a modification of the key payment terms of such debt instrument, as provided for under the terms of such debt instrument; or

   (ii) a debt exchange or other process in which the holders of no less than the percentage of debt specified in subparagraph (b) have consented to such debt exchange or other process.

(b) The percentage referred to in subparagraph (a)(ii) shall be the percentage required to modify the key payment terms of a single series of bonds in the most recent widely-distributed issue of external sovereign bonds that:

   (i) were issued by Uruguay prior to the alleged breach;

   (ii) are governed by New York law; and

   (iii) permit the modification of the key payment terms by holders of less than 100 percent of the aggregate principal amount of the debt outstanding.

3. Notwithstanding Article 26(1) and subject to paragraph 1 of this Annex, an investor of the United States may not submit a claim under Section B that a restructuring of debt issued by Uruguay breaches an obligation under Articles 5 through 10 unless 270 days have elapsed from the date of the events giving rise to the claim.
Protocol

1. The Parties note that the definition of “state enterprise” in Article 1 is not intended to expand the meaning of *empresa pública* as that term is used in the domestic law of Uruguay. Under such law, an *empresa pública* must be owned or controlled by the State and regulated by domestic public law.

2. The Parties confirm their shared understanding that, consistent with general principles of law applicable to international arbitration, when a claimant submits a claim to arbitration under Section B, it has the burden of proving all elements of its claim, including the damages that it alleges were sustained by reason of, or arising out of, the alleged breach. Accordingly, the Parties further share the understanding that, where a claimant has met its burden of proving that the respondent has breached an obligation under Section A with respect to an attempt to make an investment, the only damages that may be awarded are those that the claimant has proven were sustained in the attempt to make the investment, provided that the claimant also proves that the breach was the proximate cause of those damages.

3. For greater certainty, the Parties confirm that the list of “legitimate public welfare objectives” in paragraph 4(b) of Annex B on Expropriation is not exhaustive.

4. Uruguay has provided the following descriptive and explanatory information solely for purposes of transparency. Under its domestic law, Uruguay conditions investment in certain sectors on the prior issuance or granting of a concession or authorization by the Government of Uruguay. Such concessions or authorizations are granted by the Government of Uruguay on the basis of “legality, opportunity, convenience, or merit” under Uruguayan law, and are also subject to Uruguay’s investment law, Law No. 16.906, which forbids discrimination on the basis of nationality.
