### Schedule of Costa Rica

#### Explanatory Notes

1. The Schedule of a Party to this Annex sets out, pursuant to Articles 10.13 (Non-Conforming Measures) and 11.6 (Non-Conforming Measures), a Party's existing measures that are not subject to some or all of the obligations imposed by:
  - (a) Articles 10.3 (National Treatment) or 11.2 (National Treatment);
  - (b) Articles 10.4 (Most-Favored-Nation Treatment) or 11.3 (Most-Favored-Nation Treatment);
  - (c) Article 11.5 (Local Presence);
  - (d) Article 10.9 (Performance Requirements);
  - (e) Article 10.10 (Senior Management and Boards of Directors); or
  - (f) Article 11.4 (Market Access)
2. Each Schedule entry sets out the following elements:
  - (a) **Sector** refers to the sector for which the entry is made;
  - (b) **Obligations Concerned** specifies the obligation(s) referred to in paragraph 1 that, pursuant to Articles 10.13 (Non-Conforming Measures) and 11.6 (Non-Conforming Measures), do not apply to the listed measure(s);
  - (c) **Level of Government** indicates the level of government maintaining the listed measure(s);
  - (d) **Measures** identifies the laws, regulations, or other measures for which the entry is made. A measure cited in the **Measures** element:
    - (i) means the measure as amended, continued, or renewed as of the date of entry into force of this Agreement, and
    - (ii) includes any subordinate measure adopted or maintained under the authority of and consistent with the measure;

## ANNEX I, Schedule of Costa Rica

3. In the interpretation of a Schedule entry, all elements of the entry shall be considered. An entry shall be interpreted in light of the relevant provisions of the Chapters against which the entry is made. To the extent that:

- (a) the **Measures** element is qualified by a liberalization commitment from the **Description** element, the **Measures** element as so qualified shall prevail over all other elements; and
- (b) the **Measures** element is not so qualified, the **Measures** element shall prevail over all other elements, unless any discrepancy between the **Measures** element and the other elements considered in their totality is so substantial and material that it would be unreasonable to conclude that the **Measures** element should prevail, in which case the other elements shall prevail to the extent of that discrepancy.

4. In accordance with Article 10.13 (Non-Conforming Measures) and 11.6 (Non-Conforming Measures), the articles of this Agreement specified in the **Obligations Concerned** element of an entry do not apply to the law, regulation, or other measure identified in the **Measures** element of that entry.

5. Where a Party maintains a measure that requires that a service provider be a citizen, permanent resident, or resident of its territory as a condition to the provision of a service in its territory, a Schedule entry for that measure taken with respect to Article 11.2 (National Treatment), 11.3 (Most-Favored-Nation Treatment), or 11.5 (Local Presence) shall operate as a Schedule entry with respect to Article 10.3 (National Treatment), 10.4 (Most-Favored-Nation Treatment), or 10.9 (Performance Requirements) to the extent of that measure.

6. For greater certainty, Article 11.4 (Market Access) refers to non-discriminatory measures.

A permit to operate an international remunerated passenger transportation service shall be granted only to enterprises organized under Costa Rican law or those that are at least 60 percent owned by Central American nationals.

In addition to the restriction set out above, when granting permits to supply international services for remunerated passenger transportation, the principle of reciprocity shall apply.

A permit is required in order to supply international remunerated passenger land transportation services. New concessions may be granted if justified by demand for the service. Priority will be given to concessionaires already supplying the service.

In addition, one natural person may not own more than two enterprises nor be a majority shareholder in more than three enterprises operating different routes.

Permission to supply non-tour bus passenger transportation services in the greater metropolitan area of the Central Valley of Costa Rica shall only be granted once it has been demonstrated that regular public bus services cannot satisfy the demand.

Costa Rica reserves the right to maintain a monopoly over the supply of railroad transportation. However the State can grant concessions to private persons. Concessions may be granted if justified by demand for the service. Priority will be given to concessionaires already supplying the service.
