CHAPTER FOUR
TEXTILES AND APPAREL

ARTICLE 4.1: TARIFF ELIMINATION

1. Except as otherwise provided in this Agreement, each Party shall eliminate its customs duties on originating textile and apparel goods in accordance with its Schedule to Annex V (Tariff Elimination).
2. Duties on originating textile and apparel goods provided for in the items in staging category A in a Party's Schedule shall be eliminated entirely and such goods shall be duty-free effective on entry into force of this Agreement.
3. Duties on originating textile and apparel goods provided for in the items in staging category D in a Party's Schedule shall be reduced to 50 percent of that Party's base rate of duty on January 1 of year one. Thereafter, duties shall be removed in five equal annual stages beginning on January 1 of year two, and such goods shall be duty free, effective on January 1 of year six.
4. Duties on originating textile and apparel goods provided for in the items in staging category F in a Party's Schedule shall be removed in nine equal annual stages beginning on January 1 of year one, and such goods shall be duty-free, effective January 1 of year nine.
5. Duties on originating textile and apparel goods provided for in items in staging category H in a Party's Schedule shall be removed in ten stages. Beginning on January 1 of year one rates of duty shall be reduced by three percent each year until year five. Thereafter, duties shall be removed in six equal annual stages beginning on January 1 of year five, and such goods shall be duty free, effective on January 1 of year ten.
6. The United States shall eliminate customs duties on any originating textile or apparel goods that, after the date of entry into force of this Agreement, are designated as articles eligible for duty-free treatment under the U.S. *Generalized System of Preferences*, effective from the date of such designation.
7. On entry into force of this Agreement, each Party shall eliminate its customs duties on originating apparel goods provided for in the items contained in Annex 4-B, up to the annual quantities identified therein. Duties on originating apparel goods provided for in the items contained in Annex 4-B above those quantities shall be reduced as provided for in paragraph 3.

8. An importing Party, through its competent authorities, shall require that an importer claiming duty-free treatment for an item contained in Annex 4-B declare to such competent authorities at the time of importation that duty-free treatment is warranted pursuant to paragraph 7 and Annex 4-B. Without such declaration, the good will not receive duty-free treatment. An exporting Party may require the exporter to prepare a declaration of eligibility in order to administer the annual quantities provided in Annex 4-B.

9. On the request of either Party, the Parties shall consult to consider accelerating the elimination of customs duties, and to consider increasing the annual quantities described in paragraph 7. An agreement by the Parties to accelerate the elimination of a customs duty on an originating textile or apparel good or to adjust the annual quantities described in paragraph 7 shall supercede any duty rate, staging category or annual quantity determined pursuant to this Article when approved by each Party in accordance with its applicable legal procedures.

10. The base rates of duty set forth in the Schedule of the United States are the HTSUS Column 1 General rates of duty in effect January 10, 2003. The base rates of duty set forth in the Schedule of Morocco are the HTSMOROCCO Most Favored Nation (MFN) rates of duty in effect January 1, 2003.

ARTICLE 4.2: SPECIAL TEXTILE SAFEGUARD MEASURES

1. If, as a result of the reduction or elimination of a duty provided for in this Agreement, a textile or apparel good benefiting from preferential tariff treatment under this Agreement is being imported into the territory of a Party in such increased quantities, in absolute terms or relative to the domestic market for that good, and under such conditions as to cause serious damage¹, or actual threat thereof, to a domestic industry producing a like or directly competitive good, the importing Party may, to the extent and for such time as may be necessary to prevent or remedy such damage and to facilitate adjustment, take safeguard action, consisting of an increase in the rate of duty on the good to a level not to exceed the lesser of:

- (a) the most-favored-nation (MFN) applied rate of duty in effect at the time the action is taken; and
- (b) the MFN applied rate of duty in effect on the date of entry into force of this Agreement.

2. In determining serious damage, or actual threat thereof, the importing Party:

¹ The U.S. and Morocco understand that “serious damage” is translated into French as “prejudice grave.”

- (a) shall examine the effect of increased imports from the other Party on the particular industry, as reflected in changes in such relevant economic variables as output, productivity, utilization of capacity, inventories, market share, exports, wages, employment, domestic prices, profits and investment, none of which is necessarily decisive; and
 - (b) shall not consider changes in technology or consumer preference as factors supporting a determination of serious damage or actual threat thereof.
3. The importing Party may take a safeguard action under this Article only following an investigation by its competent authorities.
4. The importing Party shall deliver to the other Party, without delay, written notice of its intent to take safeguard action, and, on the request of the other Party, shall enter into consultations with that Party.
5. The following conditions and limitations shall apply to any safeguard action taken under this Article:
- (a) no safeguard action may be maintained for a period exceeding three years, except that the period may be extended by up to two years if the competent authorities of the Party applying the emergency action determine, in conformity with the procedures set out in this Article, that the emergency action continues to be necessary to prevent or remedy serious damage and to facilitate adjustment by the domestic industry, and that there is evidence that the industry is adjusting;
 - (b) no safeguard action against a good may be taken or maintained beyond the period ending ten years after duties on that good have been eliminated pursuant to this Agreement;
 - (c) no safeguard action may be taken by an importing Party against any particular good of the other Party more than once; and
 - (d) on termination of the safeguard action, the tariff treatment accorded by the importing Party to the good that was subject to the safeguard action shall be the tariff treatment in effect on the day before the safeguard action was taken.

6. The Party taking a safeguard action under this Article shall provide to the other Party mutually agreed trade liberalizing compensation in the form of concessions having substantially equivalent trade effects or equivalent to the value of the additional duties expected to result from the safeguard action. Such concessions shall be limited to textile and apparel goods, unless the Parties otherwise agree. If the Parties are unable to agree on compensation, the Party against whose good the safeguard action is taken may take tariff action having trade effects substantially equivalent to the trade effects of the safeguard action taken under this Article. Such tariff action may be taken against any goods of the Party taking the safeguard action. The Party taking the tariff action shall apply the tariff action only for the minimum period necessary to achieve the substantially equivalent trade effects. The importing Party's obligation to provide trade compensation and the exporting Party's right to take tariff action shall terminate when the safeguard action terminates.

7. Nothing in this Agreement shall be construed to limit a Party's right to restrain imports of textile and apparel goods in a manner consistent with the WTO Agreement on Textiles and Clothing or the WTO Agreement on Safeguards. However, a Party may not take or maintain an safeguard action under this Article against a textile or apparel good that is subject, or becomes subject, to a safeguard measure that a Party takes pursuant to either such WTO agreement.

ARTICLE 4.3: RULES OF ORIGIN AND RELATED MATTERS

Application of Chapter Five

1. Except as provided in this Chapter, including the Annexes thereto, Chapter Five (Rules of Origin) applies to textile and apparel goods.
2. The rules of origin set forth in this Agreement shall not apply in determining the country of origin of a textile or apparel good for non-preferential purposes.

Consultations

3. On the request of either Party, the Parties shall consult to consider whether the rules of origin applicable to particular textile and apparel goods should be revised to address issues of availability of supply of fibers, yarns or fabrics in the territories of the Parties.
4. In the consultations referred to in paragraph 3, each Party shall consider all data presented by the other Party showing substantial production in its territory of the particular good. The Parties shall consider that substantial production has been shown if a Party demonstrates that its domestic producers are capable of supplying commercial quantities of the good in a timely manner.

5. Upon request of either Party, the Parties shall consult to consider revising the rules of origin applicable to textile and apparel goods described in HTS 6207, 6208 and 6212, with a view to furthering the objectives of the Agreement if:

- (a) after one year following the entry into force of this Agreement, either Party's exports of such originating goods to the other Party do not increase significantly when compared to such exports prior to entry into force of this Agreement, or
- (b) after this Agreement enters into force, either Party enters into an agreement that provides for a rule of origin for such goods that differs from the rule of origin provided for under this Agreement.

6. The Parties shall endeavor to conclude the consultations referred to in paragraphs 3 and 5 within 60 days of a request. An agreement between the Parties resulting from the consultations shall supersede any prior rule of origin for such good when approved by the Parties in accordance with Article 22.2 (Amendments).

De Minimis

7. A textile or apparel good that is not an originating good, because certain fibers or yarns used in the production of the component of the good that determines the tariff classification of the good do not undergo an applicable change in tariff classification set out in Annex 4-A, shall nonetheless be considered to be an originating good if the total weight of all such fibers or yarns in that component is not more than seven percent of the total weight of that component.² Notwithstanding the preceding sentence, a good containing elastomeric yarns in the component of the good that determines the tariff classification of the good shall be considered to be an originating good only if such yarns are wholly formed in the territory of a Party.

Treatment of Sets

8. Notwithstanding the textile and apparel specific rules of origin set out in Annex 4-A, textile and apparel goods classifiable as goods put up in sets for retail sale as provided for in General Rule of Interpretation 3 of the Harmonized System shall not be regarded as originating goods unless each of the goods in the set is an originating good or the total value of the non-originating goods in the set does not exceed 10 percent of the customs value of the set.

Preferential Tariff Treatment for Non-Originating Fabric and Apparel Goods (Tariff Preference

² For greater certainty, when the good is a fiber, yarn or fabric, the "component of the good that determines the tariff classification of the good" is all of the fibers in the yarn, fabric, or group of fibers.

Levels)

9. Subject to paragraph 11, fabric goods provided for in Chapters 51, 52, 54, 55, 58, and 60 of the Harmonized System that are wholly formed in the territory of a Party, regardless of the origin of the fiber or yarn used to make the goods, and that meet the applicable conditions for preferential tariff treatment under this Agreement other than the condition that they be originating goods, shall be accorded preferential tariff treatment as if they were originating goods.

10. Subject to paragraph 11, apparel goods provided for in Chapters 61 and 62 of the Harmonized System that are both cut (or knit to shape) and sewn or otherwise assembled in the territory of a Party, regardless of the origin of the fabric or yarn used to produce the goods, and that meet the applicable conditions for preferential tariff treatment under this Agreement other than the condition that they be originating goods, shall be accorded preferential tariff treatment as if they were originating goods.

11. The treatment described in paragraphs 9 and 10 in total shall be limited to goods imported into the territory of a Party up to the combined annual quantities specified in the following schedule:

<u>Twelve-Month Period Following Entry Into Force of This Agreement</u>	<u>Combined Annual Quantities In Square Meters Equivalent</u>
First Period:	30,000,000
Second Period:	30,000,000
Third Period:	30,000,000
Fourth Period:	30,000,000
Fifth Period:	25,714,000
Sixth Period:	21,428,000
Seventh Period:	17,142,000
Eighth Period:	12,856,000
Ninth Period:	8,571,000
Tenth Period:	4,285,000

12. An importing Party, through its competent authorities, may require that an importer claiming preferential tariff treatment for fabric or apparel goods under paragraph 9 or 10 present to such competent authorities at the time of importation a declaration for preferential tariff treatment under this Agreement. The declaration shall be prepared by the importer and shall consist of information demonstrating that the good satisfies the requirements for preferential tariff treatment under this Article. The exporting Party may require the exporter to prepare a

declaration of eligibility in order to track or monitor the use of the tariff preference level.

13. For purposes of determining the quantity of square meters equivalent that is charged against the annual quantity in paragraph 11, the conversion factors listed in the *Correlation: U.S. Textile and Apparel Category System with the Harmonized Tariff Schedule of the United States of America*, (“*The Textile Correlation*”), 2003, U.S. Department of Commerce, Office of Textiles and Apparel, or successor publication, will apply.

14. Paragraphs 9 through 13 shall cease to apply beginning on the first day of the eleventh twelve-month period following entry into force of this Agreement.

Treatment of Certain Cotton Goods

15. A textile or apparel good of Annex 4-A that is not an originating good solely because cotton fibers used in the production of such good do not undergo an applicable change in tariff classification as set out in Annex 4-A, shall nonetheless be considered to be an originating good if the cotton fibers (classified in HS heading 5201.00) used in such good originate in one or more of the least-developed beneficiary sub-Saharan African countries as designated in Article 6 of the *Bulletin Officiel*, No. 4861 bis – 6 chaoual 1421 (1er-I-2001), *Exoneration du droit d’importation en faveur des produits originaires et en provenance de certains pays d’Afrique* as of the date of entry into force of this Agreement, provided the cotton fibers are carded or combed in a Party or a designated least-developed country. The total quantity of goods that may be considered originating goods based on this paragraph shall be limited to 1,067,257 kilograms annually. Either Party may request consultations with the other Party on adjustments to this quantity or on other matters related to the implementation of this provision.

ARTICLE 4.4: CUSTOMS AND ADMINISTRATIVE COOPERATION

1. The Parties, through their competent authorities, shall cooperate for purposes of:
 - (a) enforcing or assisting in the enforcement of their laws, regulations and procedures implementing this Agreement, as well as other laws, regulations and procedures of the Parties relating to trade in textile and apparel goods;
 - (b) verifying the accuracy of claims of origin;
 - (c) enforcing or assisting in the enforcement of laws, regulations and procedures implementing international agreements affecting trade in textile and apparel goods; and

- (d) preventing circumvention of agreements affecting trade in textile and apparel goods.

2. On the request of the importing Party, the exporting Party shall conduct a verification for purposes of enabling the importing Party to determine that a claim of origin for a textile or apparel good is accurate. The exporting Party shall conduct such a verification, regardless of whether an importer claims preferential tariff treatment for the good. The exporting Party also may conduct such a verification on its own initiative.

3. Where the importing Party has a reasonable suspicion that an exporter or producer of the exporting Party is engaging in unlawful activity relating to trade in textile and apparel goods, the exporting Party shall conduct, on the request of the importing Party, a verification for purposes of enabling the importing Party to determine that the exporter or producer is complying with applicable customs laws, regulations and procedures regarding trade in textile and apparel goods, including laws, regulations and procedures that the exporting Party adopts and maintains pursuant to this Agreement and laws, regulations and procedures of either Party implementing other international agreements regarding trade in textile and apparel goods, and to determine that claims of origin regarding textile or apparel goods exported or produced by that person are accurate. For purposes of this paragraph, a reasonable suspicion of unlawful activity shall be based on factors including relevant factual information of the type set forth in Article 6.5.5 (Cooperation) or that indicates:

- (a) circumvention by the exporter or producer of applicable customs laws, regulations or procedures regarding trade in textile and apparel goods, including laws, regulations or procedures adopted to implement this Agreement; or
- (b) the existence of conduct that would facilitate the violation of laws, regulations or procedures relating to other international agreements regarding trade in textile and apparel goods or the nullification or impairment of rights or benefits accruing to a Party under such agreements.

4. The exporting Party, through its competent authorities, shall permit the importing Party, through its competent authorities, to assist in a verification conducted pursuant to paragraph 2 or 3, including by conducting, along with the competent authorities of the exporting Party visits in the territory of the exporting Party to the premises of an exporter, producer, or any other enterprise involved in the movement of textile or apparel goods from the territory of the exporting Party to the territory of the importing Party. The importing Party will notify the exporting Party in advance of any such visits. If an exporter, producer, or other enterprise refuses to consent to a visit by the competent authorities of the importing Party, and the importing Party is unable to make the determination described in paragraph 2 or 3 within 12 months of its request

for a verification, the importing Party may take appropriate action as described in paragraph 8.

5. Each Party shall provide to the other Party, consistent with its laws, regulations and procedures, production, trade and transit documents and other information necessary to conduct verifications under paragraphs 2 and 3. Any documents or information exchanged between the Parties in the course of such a verification shall be considered confidential, as provided for in Article 6.6 (Confidentiality)).

6. While a verification is being conducted, the importing Party may, consistent with its laws, regulations and procedures, take appropriate action, which may include suspending the application of preferential tariff treatment to:

- (a) the textile or apparel good for which a claim of origin has been made, in the case of a verification under paragraph 2; or
- (b) textile and apparel goods exported or produced by the person subject to a verification under paragraph 3, where the reasonable suspicion of unlawful activity relates to those goods.

7. The Party conducting a verification under paragraph 2 or 3 shall provide the other Party with a written report on the results of the verification, which shall include all documents and facts supporting any conclusion that the Party reaches.

8. (a) If the importing Party is unable to make the determination described in paragraph 2, or makes a negative determination, within 12 months after its request for a verification, it may, consistent with its laws, regulations and procedures, take appropriate action, including denying preferential tariff treatment to the textile or apparel good subject to the verification, and to similar goods exported or produced by the person that exported or produced the good.
- (b) If the importing Party is unable to make one of the determinations described in paragraph 3, or makes a negative determination, within 12 months after its request for a verification, it may, consistent with its laws, regulations and procedures, take appropriate action, including denying preferential tariff treatment to textile or apparel goods exported or produced by the person subject to the verification.

9. Prior to commencing appropriate action under paragraph 8, the importing Party shall notify the other Party. The importing Party may continue to take appropriate action under paragraph 8 until it receives information sufficient to enable it to make the determination described in paragraph 2 or 3, as the case may be.

10. On the request of either Party, the Parties shall enter into consultations to resolve any technical or interpretive difficulties that may arise under this Article or to discuss ways to improve the effectiveness of their cooperative efforts. In addition, either Party may request technical or other assistance from the other Party in implementing this Article. The Party receiving such a request shall make every effort to respond favorably and promptly to it.
