Section D: Construction Services

For each Central American Party and the Dominican Republic, this Chapter does not cover construction of public works or public works concession contracts; however each Central American Party and the Dominican Republic shall initiate consultations in order to determine the
viability and desirability of including in the coverage of this Chapter construction of public works and public works concession contracts.

Section E: General Notes

I. Costa Rica –Dominican Republic

Schedule of Costa Rica

1. This Chapter does not apply to:
   
   (a) activities excluded from public tendering procedures explicitly listed in Article 2 of the Ley de Contratación Administrativa N. 7494 del 2 de mayo de 1995;
   
   (b) employment relations;
   
   (c) public loans;
   
   (d) public works contracts, concession for public facilities, public works concession and work concessions for public service, transfers of real estate generally or any other type of contracting that is not a procurement of goods or services;
   
   (e) other activities and public procurements that, according to domestic law, are subject to a special procurement regime, different than what is established in the Ley de Contratación Administrativa No. 7494 del 2 de mayo de 1995 and its regulation, without prejudice to paragraph 2 to this list.

2. The procurements by the Caja Costarricense del Seguro Social under the procedures established in Ley 6914 del 15 de noviembre de 1983, shall be covered by the scope and other provisions of this Chapter with the only exception that these procurements shall not be subject to Articles 9.6 and 9.15.

3. The 40-day time limit set out in Article 9.5.1 shall not apply to the Instituto Costarricense de Electricidad (“ICE”). ICE shall provide suppliers sufficient time to prepare and submit responsive tenders. Without prejudice to Article 9.15.6(a), ICE shall provide no less than three business days for suppliers to prepare and submit written challenges.

Schedule of the Dominican Republic

This Chapter does not apply to:

(a) procurement and acquisition of goods, supplies, works and services necessary for the resolution of situations arising from an exception status declared by law;

Annex 9.1.2(b)(iii)-4
(b) the sell of special services conducted by public sector institutions;

(c) negotiations and agreements with other States or with international public law entities, or the contractual activities between public entities;

(d) procurement activities that by their nature, low value or other circumstances, cannot be subject or would not be convenient to be subject to a public tender, either because there is only one supplier, or because of special security reasons, extreme urgency or other exceptional circumstances, according to the domestic law;

(e) procurement financed by loans and donations made by persons, entities, associations or other international organisms or foreign governments for the benefit of any Party, its entities, institutions or municipal governments. These procurements shall be governed by the terms of such special loans and donations.

(f) procurement of goods, services and supplies between State agencies, and between those and decentralized, autonomous and municipal entities;

(g) procurement of goods and services by delegations, embassies and consulates in a foreign territory;

(h) employment relations;

(i) public works contracts, public works concession contracts and work concessions for public service, transfer of real estate and any other type of procurement that is not a procurement of goods or services.

II. El Salvador –Dominican Republic

Schedule of El Salvador- Dominican Republic

1. This Chapter does not apply to the procurement by public entities of strategic goods, services and supplies:

   (a) to safeguard the borders, natural resources subject to international regimes, or the national territory;

   (b) for the procurement and acquisition of goods, supplies, works and services necessary for the resolution of situations arising from an exception status declared by law; and

   (c) for the procurement of goods, supplies, works and services that are necessary and urgent for the resolution of situations of national interest or social benefit.
2. This Chapter does not apply to procurement financed by loans and donations made by persons, entities, associations or other international organisms or foreign governments for the benefit of any Party, its entities, institutions or municipal governments. These procurements shall be governed by the terms of such special loans and donations, given that such financing is governed by contracts with special provisions.

3. This Chapter does not apply to procurement of goods, services and supplies between State agencies, and between those and the decentralized, autonomous and municipal entities.

4. This Chapter does not apply to procurement of goods, services and supplies that are made or manufactured by public agencies, autonomous or municipal entities.

5. This Chapter does not apply to:
   (a) articles procured for official parties or receptions; and
   (b) articles procured in foreign territories to be used in offices located in foreign territories;
   (c) subscriptions to or publication in newspapers, films, television editorial and television advertisement; and
   (d) procurement of individual professional services in general.

III. Guatemala –Dominican Republic

Schedule of Guatemala

This Chapter does not apply to:
   (a) the procurement by public entities of strategic goods, public works concessions, services and supplies to safeguard the borders, bridges, natural resources subject to international regimes, or the national territory;
   (b) the procurement and acquisition of goods, supplies, public works, and services necessary for the resolution of situations arising from an exception status declared by law;
   (c) the procurement of goods, supplies, works and services that are necessary and urgent for the resolution of situations of national interest or social benefit;
   (d) procurement financed by loans and donations made by persons, entities, associations or other international organisms or foreign governments for the benefit of any Party, its entities, institutions or municipal governments. These procurements shall be governed by the terms of such special loans and donations;

Annex 9.1.2(b)(iii)-6
(e) the procurement of goods, services and supplies between State agencies, and between those and the decentralized, autonomous and municipal entities.

(f) goods, work concessions, services and supplies, considered as specific exceptions procured by public entities including:

   (i) goods, services or construction services procured by Guatemalan offices in a foreign territory, such as embassies, delegations and consulates or missions;

   (ii) individual professional services in general; and

   (iii) goods, supplies and services with sole suppliers.

Schedule of the Dominican Republic

This Chapter does not apply to:

(a) procurement by public entities of strategic goods, public works concessions, services, and supplies to safeguard the borders, bridges, natural resources subject to international regimes, or the national territory;

(b) procurement and acquisition of goods, supplies, works and services necessary for the resolution of situations arising from an exception status declared by the applicable Dominican Republic law;

(c) procurement of goods, supplies, works and services that are necessary and urgent for the resolution of situations of national interest according to the domestic law;

(d) procurement financed by loans and donations made by persons, entities, associations or other international organisms or foreign governments for the benefit of any Party, its entities, institutions or municipal governments. These procurements shall be governed by the terms of such special loans and donations;

(e) procurement of goods, services and supplies between State agencies, and between those and the decentralized, autonomous and municipal entities; as well as goods, work concessions, services and supplies, considered as specific exceptions procured by public entities including:

   (i) goods, services and contracts by delegations, Embassies and consulates in a foreign territory;

   (ii) individual professional services in general.

Annex 9.1.2(b)(iii)-7
