ANNEX IV

Schedule of New Zealand (2)

Obligations Concerned  Article 17.6.1 (b)  
                      Article 17.6.2 (b)  

Entity  All existing and future state-owned enterprises  

Scope of Non-Conforming Activities  New Zealand, or any of its state-owned enterprises or state- 
                      enterprises may provide non-commercial assistance to the 
                      Entity for the supply of air transport services and maritime 
                      transport services to the extent that they provide a connection 
                      for New Zealand to the rest of the world, provided that non- 
                      commercial assistance for the supply of air transport services:  
                      a. is provided in order to maintain ongoing operations;  
                          and  
                      b. does not cause:  
                          i. A significant increase in the Entity’s market  
                              share of the service;  
                          ii. A significant price undercutting by the service 
                              supplied by the Entity as compared with the 
                              price in the same market of a like service 
                              supplied by a service supplier of another TPP 
                              Party, or significant price suppression, price 
                              depression or lost sales in the same market.
