

PART FIVE: OTHER PROVISIONS

Chapter XIV: Competition Policy

Article XIV.01 Cooperation

1. The Parties shall seek to make progress towards the adoption of common provisions to prevent the benefits under this Agreement from being undermined by anticompetitive activities.

2. Likewise, the Parties shall make an effort to establish mechanisms to facilitate and promote the development of competition policy and to guarantee the application of regulations on free competition in and between the Parties in the free trade area.

Article XIV.02 Future Work Program

Within a period of two (2) years of the date of entry into force of this Agreement, the Parties shall analyse the developments regarding paragraphs 1 and 2 of Article XIV.01 and shall consider adopting disciplines in this Chapter.
