**GOVERNMENT PROCUREMENT:
PROVISION OF INFORMATION**

ANNEX XX

GOVERNMENT PROCUREMENT : PROVISION OF INFORMATION

Referred to in Article 63

1. The statistical reports referred to in paragraph 7 of Article 63 (provision of information), shall contain the following information with respect to contracts awarded by all procurement entities covered under Chapter V:

- (a) for entities in Annexes XII.A.1 and XII.B.1, statistics on the estimated value of contracts awarded, both above and below the threshold value, on a global basis and broken down by entities; for entities in Annexes XII.A.2 and XII.B.2, statistics on the estimated value of contracts awarded above the threshold value on a global basis and broken down by categories of entities;
- (b) for entities in Annexes XII.A.1 and XII.B.1, statistics on the number and total value of contracts awarded above the applicable threshold value, broken down by entities and categories of products and services; for entities in Annexes XII.A.2 and XII.B.2, statistics on the estimated value of contracts awarded above the threshold value broken down by categories of entities and categories of products and services;
- (c) for entities in Annexes XII.A.1 and XII.B.1, statistics broken down by entity and by categories of products and services, on the number and total value of contracts awarded under limited tendering procedures; for categories of entities in Annexes XII.A.2 and XII.B.2, statistics on the total value of contracts awarded above the threshold value under each of the cases of limited tendering procedures; and
- (d) for entities in Annexes XII.A.1 and XII.B.1, statistics broken down by entities, on the number and total value of contracts awarded under derogations to Chapter V contained in the relevant Annexes; for categories of entities in Annexes XII.A.2 and XII.B.2, statistics on the total value of contracts awarded under derogations to Chapter V contained in the relevant Annexes.

2. To the extent that such information is available, each Party shall provide statistics on the country of origin of products and services purchased by its entities. With a view to ensuring that such statistics are comparable, the Joint Committee shall provide guidance on the methods to be used. With a view to ensuring effective monitoring of procurements covered by Chapter V, the Joint Committee may decide to modify the requirements of subparagraphs (a) through (d) as regards the nature and the extent of statistical information to be exchanged.¹

¹ The Joint Committee shall modify this provision taking into account the future revisions of the GPA or NAFTA.
