

CETA Regulatory Cooperation Forum – Stakeholder Debrief Meeting – 4 February 2020

The second EU-Canada Comprehensive Economic and Trade Agreement (CETA) Regulatory Cooperation Forum (RCF) will take place on Monday 3 February 2020 in Ottawa, Canada. The agenda will be published on [DG Trade's website](#) and on the [Global Affairs Canada website](#) ahead of the meeting. Following this meeting, on Tuesday 4 February 2020, EU and Canadian co-chairs will provide a debrief to stakeholders on all active work plan items in the areas of consumer product safety, cosmetic like drug products, pharmaceutical inspections, animal welfare, cybersecurity, and other areas of consideration.

Event information

Date: Tuesday 4 February 4 2020

Time: 9:30 -11:00 (EST) / 15:30 – 17:00 (CET)

Place: To be confirmed

The session will be livestreamed and a video-conference room to participate in the session in Brussels will be made available.

The debrief agenda and registration information for participating in the session either in person, online, or in the video-conference room in Brussels are being finalised and will be published in January 2020.

Who should attend this session?

Non-governmental organisations, consumers associations, workers/trade unions, professional organisations, industry and business associations, companies, regional/local representatives and other stakeholders from either Canada or the EU.

More information

Both Canada and the European Commission continue to work on areas identified by stakeholders in 2018 where there is interest in regulatory cooperation between Canada and the EU.
